

The Chief Nursing
Officer for England
#teamCNO

Shape the future of nursing and midwifery

All nurses, midwives and nursing associates in England are invited to contribute to the Chief Nursing Officer's development of the strategic priorities for the professions.

We want to know what you think and would be delighted if you would take the time to have your say.

The new strategy will set out the direction of travel and ambitions for the professions over the next 3–5 years and cover both nursing and midwifery. The CNO will be supported in its development by the Chief Midwifery Officer for England.

Your input is vital. Please encourage all nursing and midwifery colleagues in England to take part.
